Invites you to Join us for
A Special Zoom Meeting June 5, 2:00 p.m.

with **Alex Newman**

Speaking on

“Coronavirus Surveillance Tyranny”

Alex is an award-winning international journalist, educator, author, speaker. He writes about economics, education and politics for diverse publications. He also co-authored a book on education.

He studied journalism, economics and political science at the University of Florida.

Alex has been doing much research and writing about this “pandemic” and the effect it is having on our nation and the world. He will be discussing various forms of surveillance that the “big brother” government will be using to track and trace us – starting with “neighbor snitching,” to “contact tracing” to biometric ID when a mandatory vaccine is given to the whole world. We will send out the zoom contact numbers by e-mail the day before. You can also listen by phone. Call Orlean for the phone number - 707-539-8393
